

## **GRACE BIBLE FELLOWSHIP OF MILLERSBURG POST HIGH SCHOOL SCHOLARSHIP FUND**

The GBFM Scholarship Fund was established to help our members further their education after high school at a Christian institution. We wish to help our members be able to hone their skills and the gifts God has given them in a God honoring, Christ exalting environment. We view these scholarships as an investment in the work of the Kingdom and are honored to play a part in helping our members grow in Christ.

### **BASIC CRITERIA**

- ◆ You must be an active member of Grace Bible Fellowship of Millersburg. (Active is defined as attending worship at least twice a month for at least a year, along with some participation in various church activities such as Sunday School, prayer group, Bible study, ministry opportunities and events involving the church.)
- ◆ You must be enrolled or planning to enroll in a full-time degree program (graduate or undergraduate) at a Christian college, university, or seminary. The school must be approved by the elder board, preferably within the Reformed tradition.
- ◆ All applicants for the Scholarship must maintain a minimum cumulative GPA of 2.8 (on a 4.0 scale) and demonstrate reasonable progress toward completion of a degree.
- ◆ All applicants must submit an application for each school year, including a copy of the most recent final grade card/transcript that shows cumulative GPA.
- ◆ Applications must be received prior to the respective deadline. The deadline for fall semester scholarships is JUNE 1. Applicants who did not receive a fall scholarship may submit an application by DECEMBER 1 for consideration for spring semester scholarships. If the application is not received by the stated deadlines, the student will forfeit the scholarship for that semester.
- ◆ The amount will be for \$1,000 a semester/term, \$2,000 per school year with payment made payable to the school.
- ◆ The Elders may decrease this amount annually based upon availability of funds and the number of applicants.
